Shipping Services and Ordering Instructions

Schwartz Candies ships via UPS. UPS does not deliver to Post Office boxes. The transit times listed below are valid only when weather conditions permit shipping. We provide the following shipping services:

- **Standard** (To destinations east of Miss. River, excluding Miss.): 2-4 business days; (To destinations west of Miss. River and Miss.): 4-7 business days.
- **Expedited**: 2-3 business days from date of shipment.
- **Next Day Air**: 1 business day from date of shipment.

Packages can be sent out only Monday-Friday.

The shipping and handling charges are based on the **Candy Total**, which is the dollar amount of the items being sent to each address before tax is added or any discount is applied. Packages delivered in New York State are subject to State and local sales taxes. Additional shipping charges may be added to large orders which have to be shipped in more than one carton.

If the temperature where you are shipping is between 70 and 78 degrees, your package may have to be shipped by Expedited Service, if above 78 degrees, by Next Day Service, to keep the chocolates from melting. Additional information online.

Payment: Telephone and fax orders: We accept Visa, Mastercard and American Express. Online orders: We accept Visa and Mastercard only.

Free Shipping

Packages will be shipped for free by Standard Shipping Service (by truck.) Only the specific item(s) in an offer can be shipped for free. The temperature in the New York metropolitan area and at the destination must both be below 70 degrees Fahrenheit at the time of shipment. If weather forecasts predict a rise in temperature during the time a package will be in transit, customers will be notified. Offers of Free Shipping are not combinable with any other sales, offers or discounts.
